## 2013 GX Icebreaker

**NEIL SIMPSON, BRIAN STAS  
AND CHRIS SARNOWSKI  
ARE TOP THREE**

April 21, 2013 - WRENTHAM, MA - It was sunny, some wind and seasonably cool for this year's running of the GX Icebreaker, the 2013 New England combat season opener. There were five pilots in attendance ready to kick off the new season.

The end of round one found four of the five pilots bunched with scores just slightly in excess of 500 points. In round two Brian Stas and Neil Simpson each posted one cut wins and found themselves tied atop the leader board at the halfway point. In round three these pilots both posted two cut wins to remain tied as they distanced themselves from the field. Their round four flights would decide the contest winner. In the first of these matches Neil posted a two cut 625 point win over Chris Sarnowski. In the final match Brian had to settle for a one cut 620 point win over Glenn Simpson when he took all of Glenn's streamer on the first cut. This gave Neil the narrowest of victories. The final order of finish was Neil, Brian and Chris.

Thank you to Chris Sarnowski for cd'ing the contest and securing the sanction and field permit.

## Wrentham GX Shootout

**BRIAN STAS, CHRIS SARNOWSKI  
& MATT STAS ARE TOP THREE**

May 5, 2013 - WRENTHAM, MA - This was stop number two of the 2013 GX season. Six contestants were on hand for this event hosted and cd'ed by Chris Sarnowski. Weather conditions were seasonably warm, sunny with a light breeze. A great day for combat.

Round one saw Brian Stas and Paul Kubek take the early lead both posting 620 point wins. In round two they squared off against each with Brian earning a one cut victory. Meanwhile Chris Sarnowski and Neil Simpson climbed into contention with Chris posting a two cut win over Glenn Simpson and Neil squeaking past Matt Stas in a very exciting hard fought match. In round three Brian got a one cut win over Chris while Neil was doing the same in a match with Paul.

Going into the final round it was Brian in the lead followed by Neil and Chris. All the round four matches would affect the outcome. In the first of these Matt, after a tough start, scored a two cut win over Glenn posting his second good win in a row. In the next match Chris got an airtime win over Paul. In the final Neil and Brian, after some good early action, mid-aired shuffling the field in the process. When it all sorted out Brian had the contest win followed by Chris and Matt.

Thank You to everyone who shared in the judging and thank you to Chris Sarnowski for a yet another good contest.

Position in the season point standings is determined by the percentage column. The formula to determine percentage is total points accumulated divided by total possible points. Points are awarded in descending order for the first ten places in each contest ( 1st Place = 10pts, 2nd Place = 9pts etc. ) Total possible points is the number of contests participated in multiplied by ten. Participation in no less than 50% of the New England regular season GX meets is the eligibility requirement for a season championship award.

Eligibility for "Most Improved Pilot" awards rests with participation in 50% of both the prior and current year New England Formula GX contests. 20% improvement earns an award. If no pilots achieve 20% improvement a single award is presented to the pilot with the highest positive improvement.
